**PRIMARY EXAMINER**

### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Upon a complete review of the entire written record the instant application is in condition for allowance. None of the prior art shows the claimed features in creation of the photolithographic reticle. Specifically, the use of two separate and distinct etchant plasmas to resolve the pattern in the anti-reflective coating first, using the first plasma, and then in the metal photomask layer second, using the second plasma. Furthermore, the plasmas contain varying levels of oxygen, with the second plasma containing oxygen in a higher concentration than the first plasma.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher G. Young whose telephone number is 571-272-1394. The examiner can normally be reached on Monday-Friday.
